

## Carclo Optics PFAS Declaration of Compliance

Carclo Optics' hereby declare, under our sole responsibility, that none of our products contain intentionally added perfluoroalkyl and polyfluoroalkyl substances (PFAS), in accordance with **TSCA Section 8(a)(7) Reporting and Recordkeeping Requirements for Perfluoroalkyl and Polyfluoroalkyl Substances** as well as other **OECD** defined legislations such as **EPA PFAS, Canada PFAS** and **Minnesota PFAS**. PFAS includes substances such as perfluorooctanoic acid (PFOA), perfluorooctanesulphonic acid (PFOS), long-chain perfluorocarboxylic acid (LC-PFCA), their salts, and any other fluorinated organic chemical with at least one fully fluorinated carbon atom. It is Carclo Optics' understanding that PFAS are pervasive, persistent, environmentally bio accumulative, and can cause adverse effects affects in humans and other biological systems.

This declaration has been based upon knowledge obtained from Carclo Optics' suppliers as well as the manufacturing processes used by Carclo Optics, noting that no tests have been performed.

For and on behalf of  
**Carclo Optics Limited**
